ABOUT US

Wild Magma stands at the forefront of innovation, seamlessly fusing visionary design with unparalleled functionality. Renowned for pushing the boundaries of creativity, the brand consistently upholds the highest standards of quality in every project it undertakes.

Wild Magma is redefining the banquet experience by offering forward-thinking solutions that are as sophisticated as they are seamless. Each event they curate is a celebration of innovation, ensuring unforgettable moments marked by elegance and flawless execution.

The meticulous craftsmanship of local and global designers provides the essence of detailing and superior finish. At Wild Magma it's all about innovatively providing products that aren't time bound but are individually unique.

Thriving on consistency, exclusivity, and proficiency the brand boasts of being a reliable supplier to premium hotel chains across the world. Resolving the bewildering gap between the eternal and the eccentric, every masterpiece tells a tale of triumph.

WILDMAGMA[®]

WATER

'Ingenious' as they say, it's the modish designs that make the glassware range so enticing yet exclusive. Idolizing the many parameters of the aqua-inspired theme, every piece resonates the meticulous skills and superior finish to fulfil the main purpose- every drink demands a perfect glass!

AIR

An essence of antiquity and charisma is reflected through the masterpieces that aren't time bound but are individually unique. The splendour of breezy and antique styles is echoed through the airy collection of cutleries; classic, vintage, copper, gold, and black. Every piece outlines the surreal bond between an inventive design and a premium quality.

EARTH

Primitive and innate; the earthly inspired concepts strike the balance between the exquisiteness of nature's flair with the conviction of sustainability. The timeless elegance of the ashtray collection to the minimalistic placemats to the sleek salt and pepper mills to the edgy wooden boards; the accessories have an untameable rawness in appeal and sophistication in attitude.

FIRE

Igniting the inner fire with temerity and temptation, the element of fire takes a detour from the conventional. The contemporary take on cooking stations exemplifies an easy to install, convenient to maintain, and endearing to the eyes layout. Making the banquet and buffet experience more holistic and seamless the fire products are made from all things tough and durable.

CONTENTS

6

Banquet & Equipment

Enhancing the banquet and buffet experience with holistic products and a customized approach

71

Barware

Wild Magma's range of essential Bar Tools will be the start of your successful bar operations

81

Glassware

The many ranges in this collection explore the sophistication of serving a drink in appropriate glassware.

105

Table Lighting

Designed for hotels and restaurants, these lights provide ambient illumination without visible wiring — combining functionality with a refined aesthetic.

117

Tabletop & Accessories

Going that extra mile to blend functionality and creativity with products that are an outcome of novel ideas

135

Our Clients

We take pride in our continuously growing customers around the world and the unique selection of products for the hospitality industry

B A N Q U E T

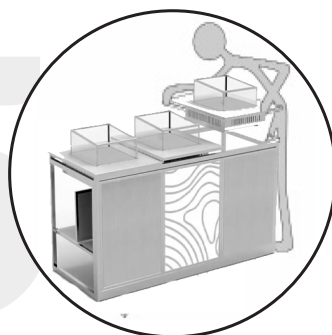

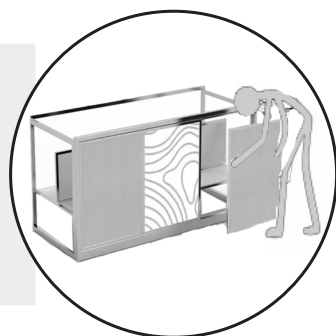

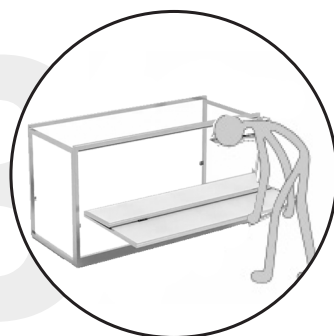

B U F F E T S T A T I O N S

We design and supply custom stations that seamlessly integrate with any elegant interior. By combining cutting-edge design with existing architectural features, our stations enhance both functionality and visual harmony. We tailor each solution to our clients' specific needs, elevating the atmosphere and guest experience while maintaining the highest standards of quality and innovation.

BS-IB

565*800*185(H)mm

Ice sink module(1/3)
BS-IBL

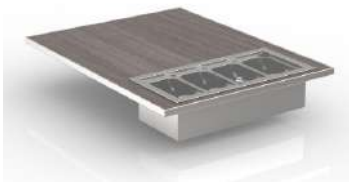

1130*800*185(H)mm

Material: HPL on water resistance E0 plywood; Aluminum alloy edge offers wear resistance, high temperature, and anti-scratch resistance, effectively protect collision damage;

Metal protective cover on bottom

Configuration:

1. Built-in SS ice bin with drainage system

Flat Module with Condiment Holder (1/3)
BS-1/3FTC

565 x 800 x 140 (H) mm

High strength composite water proof plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, metal protective bottom cover. 4 compartments condiment holder-PC cooling pat/ice space bottom

Induction Cooking Module (1/3)
BS-1/3ID

565 x 800 x 140 (H) mm

High strength composite plywood with Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, hidden power wire design, metal protective bottom cover. 1 built-in induction, 220V-2000W

Induction Cooking Module with Condiment Holder (1/3)
BS-1/3IDC

565 x 800 x 140 (H) mm

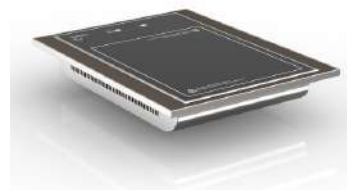

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, metal protective bottom cover. 1 built-in cooking induction, 4 compartments condiment holder-PC with cooling pat/ice space bottom, 220V-2000W

Full Screen Dual Head Induction Module (1/3)
BS-1/3FID

565 x 800 x 140 (H) mm

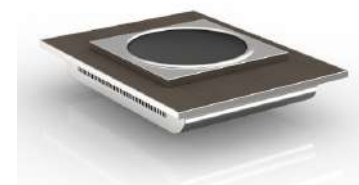

1 built-in double heating(warm and cooking) unit induction, Stainless Steel Edge, 220V 800W+2000W

Full screen Heating plate module(1/3)
BS-1/3HP

565 x 800 x 140 (H) mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, hidden power wire design, metal protective bottom cover. 1 set built-in heating board(60-150°C), 220V 1500W

Induction Wok Module (1/3)
BS-1/3WK

565 x 800 x 140(H)mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, metal protective bottom cover. 1 built-in induction wok, 220V-3500W

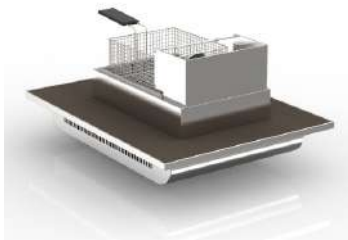

**Pasta & Noodle Cooking
Module (1/3)**

BS-1/3PT

565 x 800 x 130 (H) mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, hidden power wire design, metal protective bottom cover. 1 set 4 holes noodle cooking stove, drainage system, 220V-3000W

Deep Fryer Module (1/3)

BS-1/3DF

565 x 800 x 300 (H) mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, metal protective bottom cover. 1 built-in 5.5L deep fryer, 1 pc tempered glass panel, 220V-2800W

Griddle Module

Small BS-1/3GD (1/3)

Large BS-2/3GD (2/3)

(S) 565 x 800 x 250 (H) mm

(L) 1130 x 800 x 250 (H) mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, hidden power wire design, metal protective bottom cover. 1 built-in griddle stove, 1 pc tempered glass panel, 220V-4000W

Dim Sum Module (1/3)

BS-1/3DS

565 x 800 x 285(H)mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, hidden power wire design, metal protective bottom cover. 1 set Dim sum stove, drainage system, 220V-3000W

Pancake Module (1/3)

BS-1/3PC

565 x 800 x 205 (H) mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, metal protective bottom cover. 1 built-in Pancake stove, 220V-3000W

Small Carving Module(1/3)

BS-1/3CV

565 x 800 x 130 (H) mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, hidden power wire design, metal protective bottom cover. 1 built-in carving board, bottom Isothermal heating, 1 heating lamps, 220V-800W

Soup Warmer Module (1/3)

BS-1/3SW

565 x 800 x 420(H)mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, metal protective bottom cover. 1 built-in stainless steel soup warmer & bucket, 220V-300W

Arabic Saaj module(1/3)

BS-1/3SJ

565 x 740 x 130 (H)mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, metal protective bottom cover. 1 built-in Saaj maker, Input Voltage, 1800W

Large Carving Module (2/3)

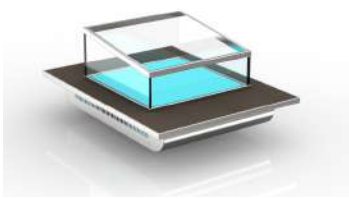

BS-2/3CV

1130 x 800 x 140 (H) mm

High strength composite plywood, Double faced Fire resistant laminate surface, seamless aviation aluminum alloy edge, hidden power wire design, metal protective bottom cover. 1 built-in carving board, bottom Isothermal heating, 2 heating lamps, 220V-800W

THE ESSENTIALS

MODULAR TROLLEY

LED Panel Trolley

BTR02

800 x 1200 x 1950 (H)mm

Steel frame with black powder coating finishing, black carpet surface, imported wheels;
Configuration: safe bandage, anti-bumper device, 24 pcs 1/3 LED panels or 30 pcs normal panles capacity, with 24 pcs Li-battery charging socket, with dust cover.

Module Trolley

BTR01

890 x 1250 x 1900 (H) mm

Heavy-duty steel frame with black powder-coated finish and black carpeted surface for added protection. Equipped with high-quality imported wheels for smooth and stable mobility. Features:

Safety band for secure transport, Anti-bump protection
Capacity: holds up to 6 pcs of 2/3 modules or 12 pcs of 1/3 modules, Includes a protective dust cover

4 Stations Complete Trolley

BTR04

1765 (L)x1190(D)x1915(H)mm

Capacity: Holds 4 sets of buffet stations

Frame: 2mm thick powder-coated steel frame

Base: 22mm thick plywood bottom

Casters: Heavy-duty casters; each trolley can load up to 500 KG, with a safe bandage and anti-bumper device

Buffet Stand Trolley

WM-BUFST03

1900 X 900 X 1870(H)mm

Steel frame with black powder coating finishing, black carpet surface, imported wheels;
Configuration: safe bandage, anti-bumper device, each trolley can hold 10 sets tables, with dust cover.

OCEAN

'Treasures are hidden in the depth of the oceans.' The tulip-shaped curves of the glass, and a profound design make the ocean range distinctively unique, specifically formed to maximise enjoyment of the favoured drink. Inspired by the many facets of the ocean, the pieces resemble an enigma of all things exclusive.

SERVING BOARDS

The range boasts of durability and style. The toughness is a result of teak wood that gives the board a long life. The many shapes and textures offer an added advantage for chopping or serving.

TA-STK

Wood

Texture:

Wood Oak

430 x 120 x 25 mm

Boards are boiled in linseed oil - this antiseptic protects the board from moisture and fungus, and also prevents the board from drying out. The boards are hand washed with water with the use of non-aggressive types of cleaner that are also used for washing dishes.

**After washing, wipe with a dry cloth and put vertically to dry at a natural temperature.*
